National Resources:

1. Early Head Start National Resource Center   (202) 638-1429
EHSNRC provides Early Head Start programs with information and training as well resources for parents.

2. Head Start: (202) 205-8572
Head Start provides information about both the Head Start and Early Head Start programs throughout the country. It also provides information regarding local providers, legislation issues, head start policies and statistical information

3. Zero to Three   (202) 638-1144
Zero to three is a national organization whose goal is to provide families, providers and communities with support and to promote the healthy development of babies and toddlers. They provide information, resources, and publications for both parents and providers.
