Wendy Frazier

Wendy came from the Katzen Eye Group where she worked the past eight years as the Optical Manager for the Mercy Hospital location. Before working there, Wendy was with Lenscrafters in New York, NY for five years as a Retail Optical Manager. It was at Lenscrafters that Wendy did a two year apprenticeship for optical dispensing. Wendy's optical career actually started in South Carolina in 1992 as a sales associate optician with H. Ruben Vision Centers. That's where Wendy's love for eyewear fashion started and she's been in love with it ever since.
