

ACLS & BLS Renewal Process for Attendings

1. Both ACLS and CPR can be done on line with skills testing done in the MASTRI center.
2. The MASTRI Center is only authorized to do skills testing for the American Heart Association online Heartcode Part 1 programs.
3. Both online courses are acceptable for renewal, even if the renewing attending has allowed their Provider Status to expire.
4. Both BLS and ACLS courses are available on the AHA website:
www.onlineaha.org
5. To do ACLS, please choose ACLS Heartcode Part 1 (\$120.00)
6. To do BLS, please choose BLS Heartcode Part 1 (\$28.50)
7. To register for the mandatory skills testing for each course go to the UMMC Intranet. In the address line, put: www.mastri.umm.edu/testing Click on the icon of the appropriate skills test.
8. Skills test registration requires a code to register. Attendings, please use **UMMCATTN** as your 8 digit registration code.
9. Do not register for skills testing sessions until you have completed the online course, and you are sure that this is the time you can test. ***DO NOT*** tie up testing sessions, as others also need to register.
10. BLS is **FREE** to anyone who wants to register for, and attend, the 2 hour sessions given in Paca Pratt twice a month. If you wish to do your CPR renewal as a face to face course, please register by calling 8-6257, and tell the administrative staff you are an Attending Physician.
11. When you attend your skills test, you must bring:
 - **a copy of your online course completion certificate(s):
ACLS / BLS.**
 - **For ACLS a copy of your current CPR card or your BLS online renewal certificate if that skills test is being done at the same time**
12. Once skills testing is complete, the MASTRI center staff will send your paper work to the CPPD office, and your cards will be mailed to your home.
13. Cards will only be mailed to valid home addresses. We do not put anything in inter-office mail, nor do we mail to clinics or offices.
14. Once the card(s) leave our office, we are no longer responsible for them. If you give an inaccurate address, or the card gets lost in the mail, there is a cost for replacement cards (\$7.00 for ACLS and \$5.00 for BLS).

Please do not hesitate to contact me if you have any questions about the above process:
